SKILLS_____

Expertise:	HTML5	CSS3	Bootstrap	Tailwind CSS	JavaScript	ES6	React.js	React Router	DaisyUI	Flowbite
Comfortable:	Firebase	Express.js	MongoDB	Rest API	JWT	Axios	Stripe	React Hook Form	React Query
Familiar:	Node.js	Next.js	Redux	TypeScript	SQL	SSL commerz	PHP	Python	Postgres	wordpress
Tools:	Windows	VS Code	Git & GitHub	Figma	Vercel	Netlify	Surge	Heruku

PROJECTS_____

Yummy chef recipes   **Live Site | GitHub client | GitHub Server Site**

Technology: Bootstrap, React bootstrap, React, React router, Firebase, ExpressJs, React counter, React leaflet etc.
- ❖ Chef-based American cuisine recipe website with recipe filtering, favoriting, and user authentication using Firebase.
- ❖ Fully responsive design for seamless browsing across mobile, laptop, and desktop devices, integrated with a backend server for data retrieval.
- ❖ User-friendly features including login, registration, and private routes, enhancing the overall experience of exploring and saving favorite recipes.

Toy market place   **Live Site Link | GitHub Client | GitHub server**

Technology: Tailwind, DaisyUI, React, React router, Firebase, ExpressJs, MongoDB, dotenv, AOS etc.
- ❖ A marketplace where sellers can add detailed information about their toys, view their own listings, and search for toys by name in the comprehensive toy collection.
- ❖ Integrated database for seamless data management, allowing sellers to update and delete their toy listings, while customers can shop by specific toy categories.
- ❖ Fully responsive website with implemented private routing, providing an optimal user experience across various devices and ensuring secure access to the marketplace

Musicine summer camp   **Live Site Link | GitHub Client | GitHub server**

Technology: Tailwind, DaisyUI, React, React router, Firebase, ExpressJs, MongoDB, dotenv, JWT, AXIOS, React hook form, React counters, React spinners, React awesome reveal, React swiper, Axios secure etc.
- ❖ Popular classes based on enrollment, allowing students to easily find and select desired music lessons at Musicine Summer Camp.
- ❖ Student dashboard for class selection, enrollment, payment, and payment history, providing a convenient overview.
- ❖ Instructor dashboard for adding classes and managing class status, enabling instructors to efficiently organize and track their teaching responsibilities.
- ❖ Admin dashboard for managing classes, users, and overall administration of Musicine Summer Camp, ensuring smooth operation and coordination.
